March 28th, Crews were dispatched to a residential structure fire off Kingfish Road in Bokeelia. Upon arrival, crews found the home fully engulfed in flames. Our dedicated teams acted swiftly to protect nearby structures, containing the fire and preventing it from spreading. Thankfully, no injuries were reported, and the cause of the fire is under investigation.

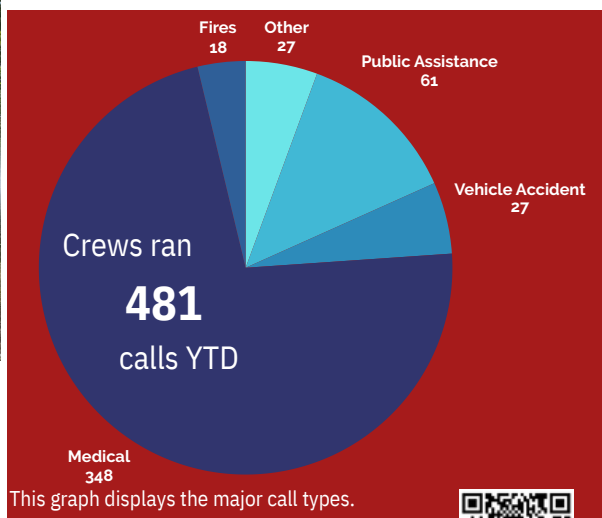

March 13th, the Lee County Marine Emergency Response Team (MERT) was activated for a structure fire on Crescent Island, off St. James City. Due to the island's remote location, access was exclusively by water. No injuries reported.

March 7th, crews participated in Read Across America with Pine Island Elementary, then joined in the fun at their Spring Fest.

March 5th, E-151, B-151, E-152, and Captain 150 responded to a brush fire just south of Berkshire Road. The fire was quickly contained to an approximately 50' x 50' area and extinguished before spreading any further.
