MEMORANDUM

Fire Commissioners

FROM: Ben Mickuleit, Fire Chief

RE:

Resolutions adopting Tentative Tax (Calendar) Year 2023 Millage Rate & Fiscal Year 2023-24 Tentative Budget and Setting the Date, Time and Place of the FINAL Fiscal Year

2023-24 Public Hearing on the Millage Rate and Budget

I am pleased to present the Tentative Fiscal Year 2023-24 Budget for the Matlacha/Pine Island Fire Control District which totals \$14,767,852 for the General Fund Operating Budget. The tentative budget is funded by a tax rate of 3.7500 mills (per thousand dollars of taxable valuation) which would generate \$7,595,159 in gross tax revenue. The proposed tax rate is 18.80% above the rolled-back rate of 3.1565 and is therefore considered a tax increase. The ad valorem tax budget includes a deduction of 3.5% as a reserve for uncollected taxes recognizing that property owners take advantage of the discount provided by paying their taxes early (November through February). Therefore, the net ad valorem tax revenue available to fund the budget is \$7,329,328.

It bears discussion here that the reasons for the 18.80% increase over the rolled-back rate are:

- Because of the impact of Hurricane Ian, last year's adopted tax rate was lowered to the rolled-back rate of 3.3036 at the final budget hearing.
- Also due to Hurricane Ian, taxable property values within the District were reduced this year by 6.0% from \$2,154,583,991 to \$2,025,375,825 due to
 - Destroyed or devalued properties from hurricane damage; and
 - Because the Property Appraiser changed the taxable value of properties by applying Homestead Exemption to values within all Special Districts which prior property appraisers interpreted as being contrary to Florida Statute.

The beginning balances available to roll–forward from FY 2022-23 are estimated to be \$5,843,745 of which \$32,488 is legally restricted per the Impact Fee interlocal agreement. Reserves or Commitments of fund balance include, \$1,500,000 for Disasters/Contingencies, a \$239,964 Debt Service Reserve, and \$25,000 for the mandatory cancer reserve. Restrictions and reserves are committed and unavailable to meet operating obligations. This leaves \$4,046,293 of unassigned fund balance available as a carry-forward to use for cash flow of the first two months of FY 2023-24 until the tax collector makes the first tax revenue distribution.

Other FY 2023-24 revenue sources are also contained in the budget including Impact Fees of \$25,000 and State Firefighter's Supplemental Compensation of \$10,200. The District charges for certain services and is budgeting \$4,000 to be collected for teaching CPR classes, from fire inspection fees and from selling T-shirts. Miscellaneous revenue includes income from the

tower rental of \$35,559 and interest earnings and contributions are estimated to generate \$20,020. There is also budgeted \$1,500,000 in capital lease (debt) proceeds anticipated to be borrowed to purchase a ladder truck (see Capital Outlay below). Therefore, the **total General Fund sources of funds equals \$14,767,852**.

The uses of funds included in the FY 2023-24 General Fund budget are summarized below with the comparative change in amount and percent over (under) the FY 2022-23 budget:

	GENERAL FUND

Capital Outlay	522,000	1,695,000	1,173,000	224.71%				
Debt Service	291,196	288,045	(3,151)	-1.08%

TOTAL USES OF FUNDS	\$ 15,070,703	\$ 14,767,852	\$ (302,851)	-2.01%				

The \$506,562 or 8.42% increase in Personal Services (salaries, wages & fringe benefits) reflects the following changes:

- \$147,598 for the addition of a Secretary, the budgeting of a full year of the Repair
 Technician which position was added during FY 2023 and salary adjustments for the rest
 of the administrative and executive staff; and
- \$56,407 for STEP increases for eligible bargaining unit (BU) employees; and
- (\$50,972) decrease in current year BU salaries due to changes in personnel; and
- \$198,398 for adjustments to the BU compensation plan due to union negotiations; and
- (\$2,600) net decrease for longevity pay since long-term employees have retired; and
- \$60,000 increase to Incentive Pay for Paramedic Incentive pay since more BU employees will be paramedics under the new ALS program; and
- \$7,703 increase in holiday pay for changes in personnel; and
- (\$187,197) decrease to Special Pay (Overtime call-out pay to meet minimum staffing requirements) because Hurricane Ian expenses in the current year augmented the budget; and
- (\$50,000) decrease in retirement pay-out since fewer employees are eligible for retirement; and
- \$13,719 increase to required FICA match for salary changes enumerated above; and
- \$289,685 increase from the State-mandated rate for Florida Retirement required contributions being increased from 27.83% to 32.67%; and
- An increase of \$55,212 in Health, Life and TASC cards based on estimates from CIGNA;
 and
- A decrease of (31,391) in workers' compensation based on current year's premiums.

Operating expenses are proposed to decrease by \$1,724,950 or 51.91% due to Hurricane Ian repairs, rentals and other operating expenses augmenting the current year (FY 2023) budget.

The equipment included in the Capital Outlay budget is as follows:

DESCRIPTION	AMOUNT
Ladder Truck to be financed from lease proceeds	\$1,500,000
I-pad tablets to replace MDC's	20,000
ZOLL monitors	90,000
ESO Software (to replace ImageTrend)	30,000
Key-Secure in Trucks (KNOX units)	15,000
IT computer replacement	5,000
Brush/Tender Truck	20,000
Hydrants (split with Water Company)	15,000
TOTAL	\$1,695,000

Debt Service in fiscal year 2024 includes:

- \$51,232 for the repayment of the lease for the FY 2016 acquisition of two (2) engines, of which 53.7% is payable from Impact Fee revenues; and
- Principal and interest of \$188,733 for Station 4 building and equipment, all of which is eligible to be payable from Impact Fees.
- \$48,080 for the 1st year principal and interest for the E-One pumper purchased in 2023.

The total ending Fund Balance projected to be available at September 30, 2024 is anticipated to be \$4,666,406. The following amounts are either restricted or committed, which makes them unavailable to meet operating cash flow requirements of the subsequent fiscal year:

DESCRIPTION	AMOUNT
RESTRICTED-for new capital expenditures from Impact Fees	\$ 29,977
COMMITTED-for Contingencies/Disasters	1,500,000
COMMITTED-Debt Service Reserve (Sinking Fund)	288,045
COMMITTED-Engine Replacement Reserve	793,784
COMMITTED-Cancer Reserve for Mandatory Payments	25,000
TOTAL RESTRICTED & COMMITTED FUND BALANCE	\$ 2,636,806

After subtracting the restricted and committed amounts from total estimated ending fund balance, the UNASSIGNED fund balance, available to meet operating cash flow for the first two months of the subsequent fiscal year is estimated to be \$2,029,600. This amount reflects 25% of Personal Services & Operating Expenditures budgets to carry the District into fiscal year 2025.

It is recommended that the date, time and place of the FINAL budget hearing be set for Wednesday, September 27, 2023 at 5:01 p.m. at Station 1.

In summary, the Annual Budget is not only a financial and management tool, but also a communications device for the District's constituents. Every effort has been made to prepare a transparent and informational budget document for the fiscal year 2023-24.
