

## W.H.A.L.E CHECK PROGRAM

W.H.A.L.E (We Have A Little Emergency) CHECK is an education and identification program for parents who have children in car seats. In many cases children are too young to identify themselves or provide helpful information in the event of an automobile crash.

Fill out this sticker and place on the back of your child's car seat to provide vital information for emergency personnel. Stick the two smaller labels to each side of the car seat. These will alert rescuers that the occupant is participating in W.H.A.L.E CHECK.
